Symposium on Nebulization

**Maintenance Nebulization in OADs and Role of Nebulized
Antibiotics in Respiratory Infections**

Dear Doctor,

Maintenance Nebulization and Nebulized Antibiotics are evolving facets of Nebulization that have brought a paradigm shift in usage of Nebulization in various clinical settings. Constant innovations both in drug and delivery device are further redefining the place of Nebulization in therapy.

CRS invites you to a discussion on Maintenance nebulization in OADs and Role of Nebulized Antibiotics in Respiratory Infections with **Dr. Deepak Talwar**.

Looking forward to your active participation!

Regards,
